Working on our Wings

Updates on The Butterfly Approach for Residents and Families

The Elliott Community is the first long-term care home in Guelph accredited in The Butterfly Approach, an innovative, person-centred and emotion-focused model of care in the Wellington, Fountain and Edinburgh home areas. The Butterfly Approach is in progress on the Eramosa and Paisley home areas. The Elliott Community is working towards accreditation in all long-term care home areas in 2026 and is beginning to work with Meaningful Care Matters to develop a person-centred and emotion-focused model of retirement living in Nottingham and Ellington.

Paisley and Eramosa Accreditation Update

Tiana Gabbidon, Nurse Consultant with Meaningful Care Matters (MCM) will visit The Elliott Community on Monday, November 23 and Tuesday, November 24 to observe daily life in the Paisley and Eramosa home areas. This visit will help MCM understand what life is like for people who live here, their family members and the team and determine whether the home areas have achieved accreditation in The Butterfly Approach. Tiana will also be speaking with family members, people living at The Elliott and the team about their experience. We hope you will take a moment to introduce yourself to Tiana and share your experience with her if you are comfortable.

In search of items for donation

We are looking for a few items to help our long-term care home areas with items and objects that people can connect and engage with:

· Musical instruments, sheet music and musical themed artwork
· Recipe cards, cookbooks and food themed magazines
· Travel themed items – luggage tags, post cards, used boarding passes
· Hockey sticks and hockey gloves

If you have any of the following items and would like to donate to The Elliott or any questions about The Butterfly Approach, please reach out to Lindsay Marinovic, Resident Experience Lead at 519-822-0491 ext. 2110 or LMarinovic@elliottcommunity.org.
