As a health care institution, our highest priority is the safety of residents, staff and families. As a result, we are adopting all prevention measures to ensure the safety of our residents, staff and families. Vaccines are a proven, safe and powerful weapon in our battle against COVID-19. Now that vaccines are widely available and recognizing that our staff are already vaccinated against influenza and Covid-19, vaccination will be an enduring condition of employment for all new hires, except when impossible due to legitimate, established exceptions. Covid-19 vaccination status must be consistent with the prevailing definition provided by The Ministry of Health and LTC: a person who has received all recommended COVID-19 vaccine doses, including any booster dose(s) when eligible.
