

# Edinburgh LTC Home Redevelopment Project – Update for Residents & Families February 6/24

---

Dear Residents, Family Members and Staff,

Work on our new Long-Term Care beds is well underway, with work focused now on plumbing and drywall. The layout is coming together! Please take a look at the photos we have posted on our website under the LTC Home Redevelopment tab: <https://www.elliottcommunity.org/redevelopmentphotos>.

Our staff are now busy working on the Occupancy Plan due to the Ministry on March 9, 2024. Our staff are getting excited to welcome our new residents in the Fall.

We remain grateful for your understanding, cooperation, and patience as we enter each phase of redevelopment. If you have any questions about the project, please drop us an email at [redvelopment@elliottcommunity.org](mailto:redvelopment@elliottcommunity.org).
