Dear Residents, Family Members and Staff,

Please be advised that the General Contractor working on the LTC Bed Expansion Project will be hoisting materials by boom truck onto the balcony above the Cheers Patio between 12:00 (noon) and 2:00 pm today. The area affected by the hoisting operation will be the parking lot and sidewalk located at the Community Centre entrance. The contractor will have the area barricaded off and will have a spotter to ensure safety for all during this time.
