Gift of Securities Transfer Form

Security transfers from a donor's brokerage account into the charities account:
When the securities are held in a brokerage account, there is no need to transfer the actual certificates. The donor instructs the broker to transfer the securities from his account into the charity's account. The fair market value will be determined as of the closing price on the day the securities are received and sold by The Elliott.

Please complete this form and have your own Advisor fax or scan/email the completed form to RBC Dominion Securities advising RBC DS that a securities transfer is about to take place.
